CARLSON COLLEGE VALUES

MISSION STATEMENT

The Training Team Exists:

To build the strategic well-being of the company by developing and executing a meaningful training curriculum that promotes success.

CARLSON COLLEGE TRAINING TEAM VALUES

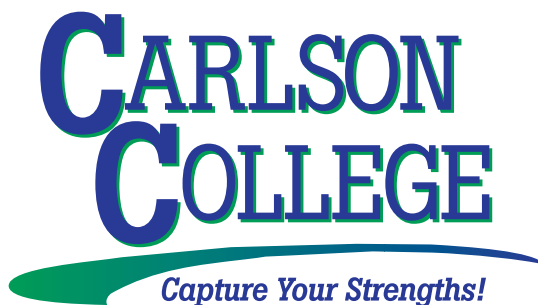

We will treat our students with respect, integrity and in a manner that instills a teamwork environment.

The Training Team Will:

- Communicate in an open and honest fashion while building self-esteem through responsibility.
- Assist in the successful development and execution of our chosen paths.
- Respect the thoughts, feelings, needs and dreams of each individual.

We Expect Students To:

- Come prepared, open-minded and willing to accept positive paths for growth & change.
- Come with a willingness to execute and support the training program in an atmosphere conducive to sharing.
- Be on time in an unimpaired and unencumbered state.
